Interesse Entre Componentes

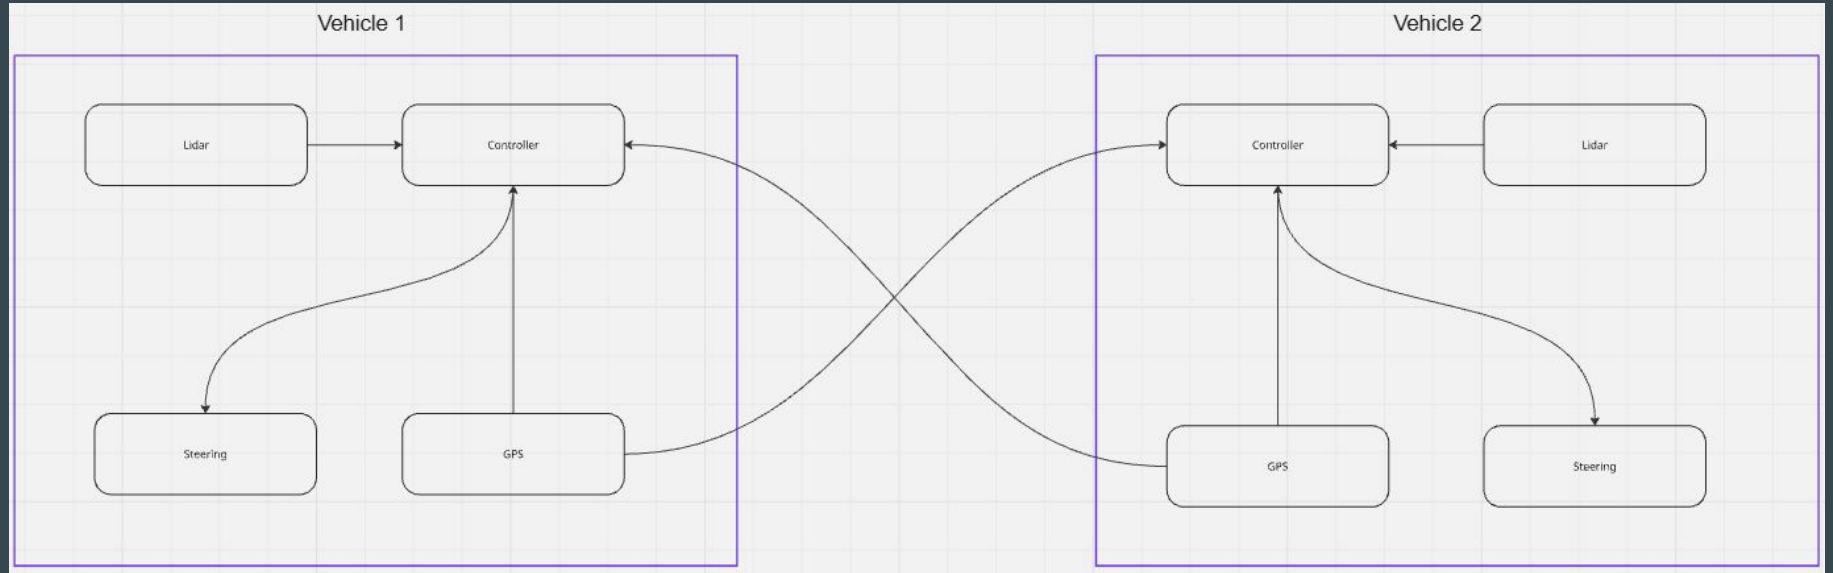

Diagrama de Componente

- Um *SmartData* vinculado a um *Componente* e a um *Communicator*
- *SmartData* pega os dados de um *Component* sensor e envia para o *Communicator*
- *SmartData* recebe dados de resposta do *Communicator* e envia ao *Component* atuador

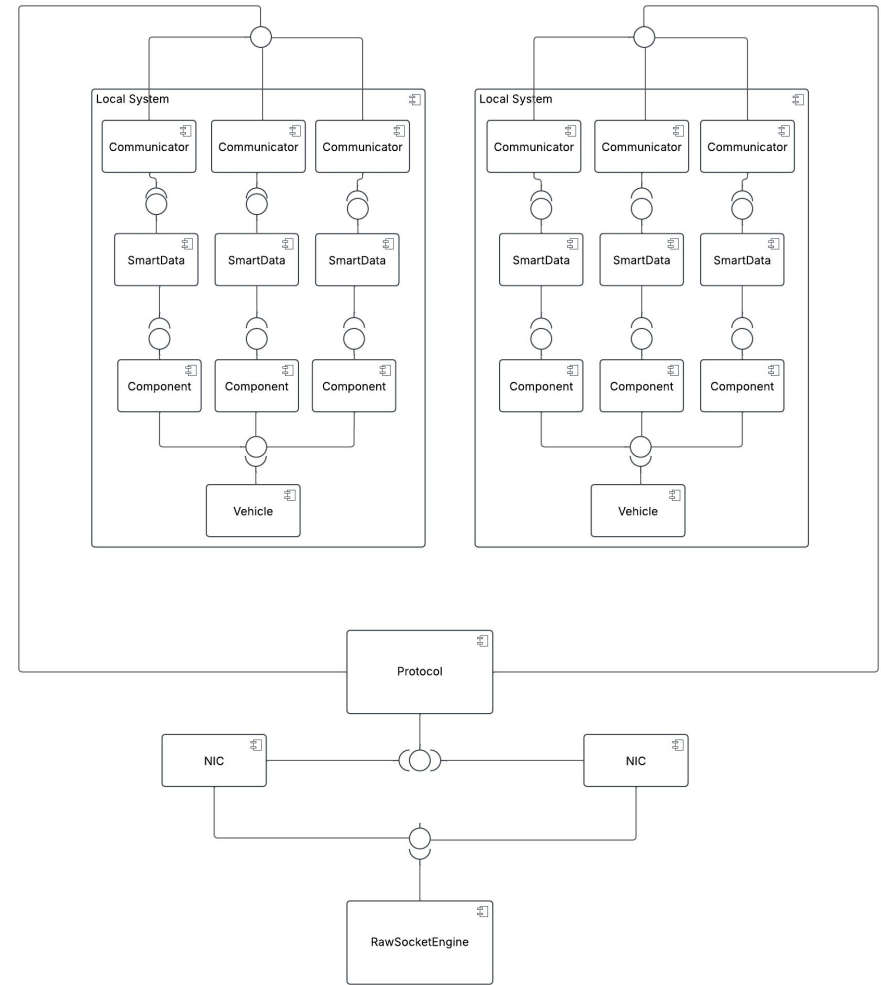

Diagrama de Sequência - SmartData.receive()

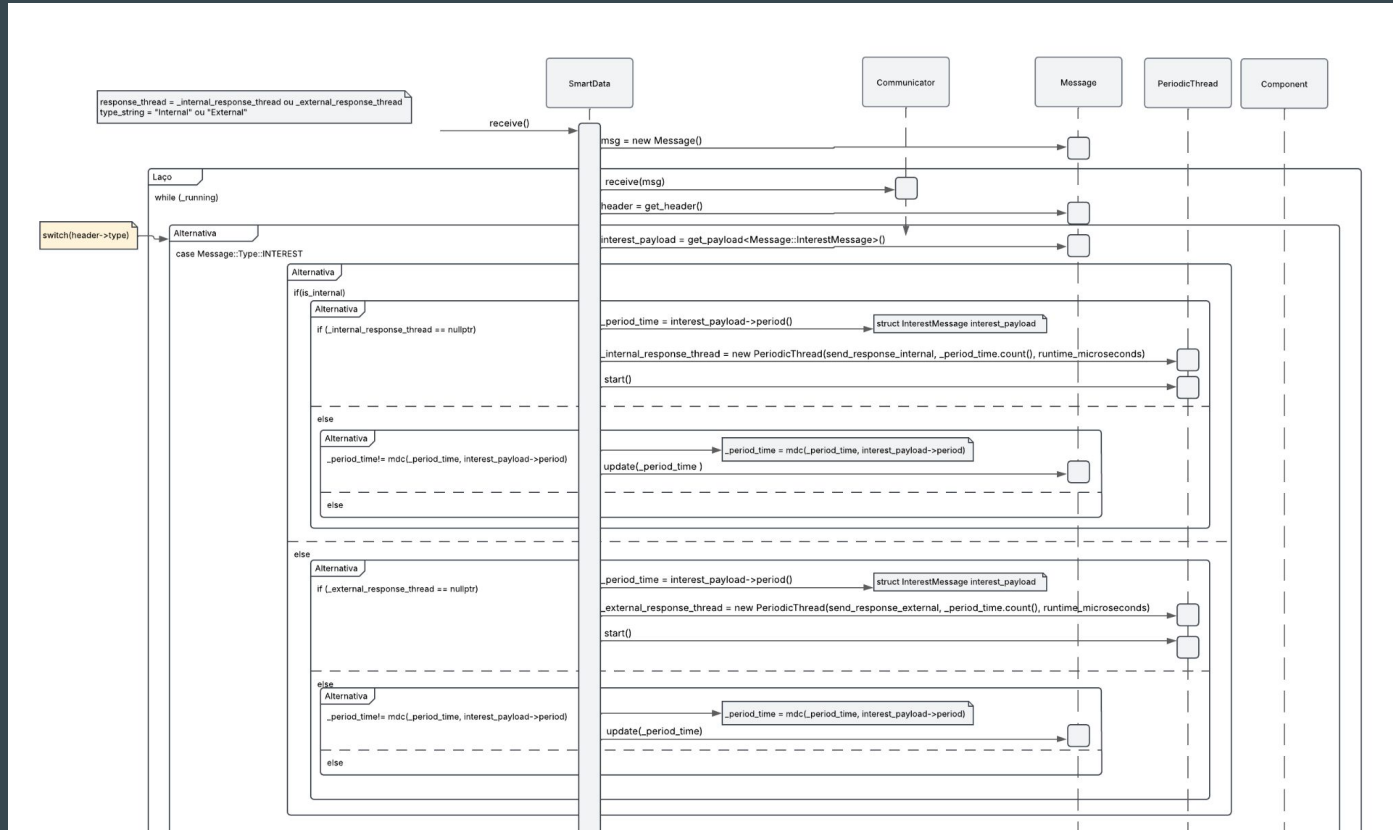

Diagrama de Sequência - SmartData.receive()
